

Details regarding the Kentucky Speedway Track Day on Saturday, November 7th

Spend \$40 in the gift shop, you get 3 free laps, behind the pace truck. We went last year and had a blast! We actually reached speeds of about 95 MPH, and some were able to take more than 3 laps!

If you would like to **Caravan** together, please meet at the southbound I-75/I-71 rest stop in northern Kentucky, right before the I-75/I-71 split, at 9:30 AM.

By the time we get there, go through the gift shop, and drive the laps it will be lunch time. We can stop somewhere for lunch on the way back, as a group, as well.

You will be required to sign a waiver at the track, that states you drive at your own risk.

This event as a club will be a "**DRY WEATHER ONLY**" event.
